Section 1 – Introduction to Summary of Benefits

You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan (such as **Tribute**).

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **Tribute** covers and what you pay.

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on <http://www.medicare.gov>.
- If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at <http://www.medicare.gov> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Our service area includes the following counties in Oklahoma: Carter, Cleveland, Garvin, Jefferson, Johnston, Love, McClain, Murray, Oklahoma and Stephens.

Which doctors, hospitals, and pharmacies can I use?

Tribute has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

- You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.
- You can see our plan's provider and pharmacy directory at our website (<http://www.tributehealthplans.com>).
- Or, call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers - and *more*.

- **Our plan members get all of the benefits covered by Original Medicare.** For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.
- **Our plan members also get *more than what is covered by Original Medicare*.** Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, <http://www.tributehealthplans.com>.
- Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

The amount you pay for drugs depends on the drug you are taking and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur after you meet your deductible: Initial Coverage, Coverage Gap, and Catastrophic Coverage.
